## Introduction

Thank you for completing this survey being conducted by West Virginia University (WVU) and the West Virginia Department of Health and Human Resources (DHHR). You were chosen randomly to participate, and your answers will help improve health programs and policies that affect West Virginians.

The survey asks questions about health and health practices and takes about 20 minutes. Your participation is voluntary, you do not have to answer any question you do not want to, and your answers to questions will be confidential. Taking, or not taking, the survey will not change any state benefits you may be eligible to receive now or in the future.

If you have any questions or concerns about this survey, please visit www.WVMATCHSurvey.org, call us toll free at 304-581-1928, or email us at WVMATCHsurvey@hsc.wvu.edu.

## Instructions
